**Subject:** Re: [E] Re: KEAN Scholarship

Dear all,

Currently KEAN is providing scholarships to 11 of our students. In addition to this, KEAN has funded projects and has provided support and guidance for student projects. I am happy about the willingness of KEAN members to share their technical know-how with the students and faculty of MACE. It is my pleasure to thank you all for all the continued support rendered to MACE and MACE students and to me personally by selecting me for the prestigious Teacher of the Year Award. I thankfully acknowledge the efforts taken by all the officials for presenting the award. Photos of the function are attached.

A talk on Business Intelligence and Analytics was also handled by Ajith sir. Thanks to Ajith sir for spending his valuable time from the one week holidays here.
